

Zimbabwe has very good fireproof cable trays

AI Overview

Fireproof cable trays in Zimbabwe can be sourced from local manufacturers and South African exporters, offering high-quality, fire-resistant solutions for industrial and commercial applications. Local Manufacturers and Suppliers Cable Tray Manufacturers in Zimbabwe Companies like Cable House and Brilltech Engineers provide a wide range of cable trays, including galvanized steel, stainless steel, and FRP (fire-resistant) options. These trays come in various types such as ladder, perforated, and trough designs, suitable for different cable management needs. They are designed for durability, corrosion resistance, and compliance with safety standards, ensuring protection against fire hazards in electrical installations.

.Electrosales Zimbabwe While specific fireproof options are not detailed online, Electrosales offers a catalog of cable trays and accessories. Customers are advised to contact their call center for availability of fire-resistant models and pricing.

.South African Exporters Durocast (Pty) Ltd is a leading South African manufacturer that exports fire-resistant materials and complete fire protection systems to Zimbabwe. Their products are tested under SABS 0177 standards, ensuring non-combustibility, low flame spread, and minimal smoke emission. These solutions are particularly suitable for industries with high heat processes, molten metals, or hazardous chemicals, providing workforce safety, asset protection, and business continuity.

.Key Considerations

Material Selection: Fireproof cable trays are often made from FRP (Fiber Reinforced Plastic) or treated steel to resist flames and heat.

Compliance: Ensure products meet national and international safety standards, including SABS 0177 benchmarks.

Customization: Many suppliers offer custom sizes and fittings to match specific project requirements.

Installation: Open designs and flexible mounting...
